Project Name

Skills/Job Recommender Application

The screenshot shows the IBM Cloud Watson Assistant catalog page. The browser address bar displays `cloud.ibm.com/catalog/services/watson-assistant`. The page header includes the IBM Cloud logo, a search bar, and navigation links for Catalog, Manage, and the user's account (Saranya Ganesan's Acc...). The main content area is titled "Watson Assistant" and describes it as a service to build conversational interfaces. It features a "Create" button and a "Select a location" dropdown menu currently set to "Sydney (au-syd)". Below this is a "Select a pricing plan" section with a table showing the "Lite" plan, which is "Free" and includes "Everything you need to get started, free for as long as you need it" and "Up to 1,000 unique monthly active users (MAUs)". A "Summary" sidebar on the right lists details: "Watson Assistant", "Free", "Location: Sydney", "Plan: Lite", "Service name: Watson Assistant-jd", and "Resource group: Default". At the bottom of the sidebar, there is a checkbox for "I have read and agree to the following license agreements:" with a "Terms" link, and buttons for "Create" and "Add to estimate". The Windows taskbar at the bottom shows the date as 11/9/2022 and the time as 9:37 AM.

The screenshot shows the "Create your first assistant" page in the IBM Watson Assistant console. The browser address bar displays a long URL: `au-syd.assistant.watson.cloud.ibm.com/cm%3Av1%3Abluemix%3Apublic%3Aconversation%3Aau-syd%3Aa%2F05724f26c0f547b68fc894fec3794d909%3A6...`. The page header includes the IBM Watson Assistant logo, an "Upgrade" button, and a "Learning center" link. The main content area is titled "Welcome to the new Watson Assistant" and features a "Next" button. Below this is a "Create your first assistant" section with a sub-header "Let's get your assistant up and running. Name your assistant, add a description, and choose a language. In following steps we'll gather more information, show you basic customizations, and give you a preview of what your assistant will look like." The form includes an "Assistant name" field with the value "Skill Bot" and a note: "Your assistant name will be kept internally and not visible to your customers". There is also a "Description (optional)" field with a character count of "0/128" and a placeholder text "Add a description for this assistant". The Windows taskbar at the bottom shows the date as 11/9/2022 and the time as 9:49 AM.

Template preview

Create an account

This template allows your customers to create an account with your organization quickly and easily. Your assistant collects the required contact and personal information before prompting them to choose a password.

What your customer says...

- Create account
- Start new account
- What is the process to making an account?
- How can I register over here?
- Registration

What your assistant collects...

- Customer first name
- Customer last name
- Customer email address
- Customer phone number

Cancel Select this template

Watson Assistant

Where can I register?

I can help you with that! To create an account, we will need a few pieces of information.

First, please enter your name.

John Doe

Awesome. I'll also need an email address associated with your new account. We will
